A child is connected to 5 different Institutions to bring about a global development. Teachers focus on curriculum and daily activities providing feedback to counselors and advisors.

A counselor helps the child to better understand his/her challenges and communicates with the advisor to develop a better link between a child and the community. At the same time, a pediatrician/nutritionist provides specific guidelines to the advisor and families for healthy nourishment of that child

A banner for CRY's STEM Education Initiative. It features a young boy in a red shirt and a white astronaut helmet, holding a small rocket. The background is a dark, starry space with a yellow nebula at the bottom. Text on the right says "Help India's children continue Chandrayaan's legacy". Below the image, a white box contains the text "Support CRY's STEM Education Initiative" and "Contribute to shaping scientists and technocrats of tomorrow." with a "Donate Now" button.

EXAMPLE

The screenshot shows a mobile app interface for a payment form. At the top, a yellow banner reads "You can make a big difference to their lives!" with a "Go Back" link. Below this, the form has several input fields: "City*" (filled with "Nantes"), "State*", "Pincode*" (filled with "44000"), and "Country*" (filled with "INDIA"). There is a "PAN Number" field. A red warning message states: "Please note that if you do not provide your PAN Number, you will not be able to claim 50% tax exemption u/s 80G in India". Below this is a paragraph of text explaining that information is collected for government regulations and that details are confidential. It also mentions that by sharing details, the user agrees to receive updates from CRY via mobile, WhatsApp, landline, email, and post, and provides an email address: writetous@crymail.org. At the bottom, there is a checkbox for "I hereby declare that I am a citizen of India, making this donation out of my own funds. The information provided above" and two buttons: "Continue To Payment" and "Back To Top". A WhatsApp icon is visible in the bottom right corner.

A pop up giving idea when the amount is entered- what will it be contributed for kids , nutrition assistant , home visit , a monthly cost of a kid or teacher salary
